Do you have a skill, hobby, or special interest you would consider sharing? Or do you have some time you could share assisting with supervision of a program? Hinckley Parks and Recreation is looking for new activity or class ideas to offer for the summer session. We would like to provide more no fee or low cost programing for Village residents of all ages.

Don't hesitate!

Instructors or program assistants are needed for both adult and children's programs. If you would be willing to lend a hand, your time and effort would be greatly appreciated. Call now to talk with Kris at 815-286-7992 to discuss your ideas or how you might help with activities already planned.

COMING UP SOON

SAFETY VILLAGE

Each year Hinckley Parks and Recreation sponsors this safety program for area children in grades K-3.

It runs during the first week after school is dismissed for the summer. Community professionals present a variety of information and provide interactive demonstrations on safety topics our children must know to stay safe for the summer.

Flyers/registration forms will be coming home from school in May for this program.

Adult and high school volunteers are always needed!

If you can help out for a day or two call Kris at 815-286-7992.

PROGRAM SCHOLARSHIPS ARE AVAILABLE

Scholarships are available to cover the cost of program fees.
