

Water and Sewer Meeting

11:30am 3/4/2019

Constant, Nier , Dale, Joe

TPI - inspections needed with new Plumbing code

Water services will need to be inspected by building inspectors when exposed and repaired by resident

This will require a licensed Plumber to sign off on repair

RPZ- will require annual inspection

More info to come as Joe works

Prep for Utility sale- Location of easement

Lease agreements with Burlington Northern

Utility sale update

Attorney info is being collected and date for opening will go to the full board at next meeting

Rate letter Constant drafted a letter and it was decided to forward to full board

New business

Dale IEPA inspection went well

Continued work on influent screen project- parts may need to be ordered

Meeting ended 12:40
